

Traffic Marking Paint

Mark the Way with Quality

Crafco Action Pave® waterborne traffic paints are formulated for excellent durability, UV resistance and colorfastness while meeting federal specifications. From highways to parking lots and everywhere in between, Crafco Action Pave Traffic Paints provide reliable performance in a variety of colors and grades.

BENEFITS

Excellent durability

Multiple colors and grades

Meets all Federal TT-P 1952 specifications

Reliable, Durable Traffic Paint

Crafco Action Pave paint is an excellent choice for striping, sidewalks, curbs, warehouse floors, parking lots, crosswalks, and more. Action Pave adheres well to asphalt, concrete or brick pavers, with fast drying time and strong resistance against flaking, chalking and dirt. Also available in a high-build formula.
