

# Athletic Surfaces

## Top Quality, Tailored Designs

Crafco Athletic Surfaces offers the highest-quality installation, maintenance and repair of running track and sport court surfaces for the K-12, College, Municipal, Commercial and Private sectors. We lead in the innovation of materials, equipment and techniques required for high performance, long-lasting sport surfaces.

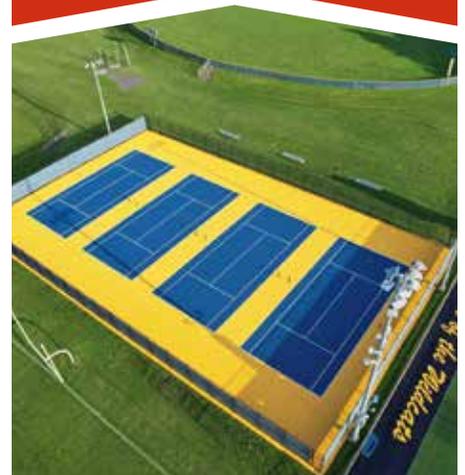

### BENEFITS

One-stop shop for installation, maintenance and repairs

Decades of experience

Highest-quality service and materials

Designs tailored to your needs

# New Installations and Resurfacing

## Tracks

Crafco Athletic Surfaces installs all grades and types of polyurethane running track systems – from entry-level to championship performance surfaces. Our running track surfaces can be tailored to meet your specific design specifications and budget. Crafco also installs elastic layers or e-layers beneath synthetic turf fields for shock absorption. Crafco is a certified installer of Beynon Track Systems.

### Track Types

- Full-Pour Systems
- Multi-Layer Sandwich Systems
- Elastic E-Layer Systems

## Courts

Crafco Athletic Surfaces installs acrylic hard and cushion court systems that can be customized to meet the needs of our customers. Crafco Action Pave Acrylic Systems are 100% acrylic emulsions and resins that are fortified with mineral fillers and UV stabilized color-fast pigments. Crafco provides expert court conversion capabilities, taking underutilized courts and transforming them into new game spaces. Standard and custom court color options are available.

### Court Types

- Tennis
- Pickleball
- Basketball
- Running/Walking Tracks
- Floor/Roller Hockey
- Playgrounds
- Multipurpose

### Equipment and Accessories

- Tennis and Pickleball posts and nets
- Basketball goals
- Portable net systems
- And many other court items

# Why Crafcó?

**Dedicated to Quality, Innovation and Service**

With 45 years of track and court installation experience and a firm commitment to quality and customer service, Crafcó's Athletic Surfaces team provides elite technical expertise. Our highly skilled workforce assists our customers to make the best decisions for their performance, aesthetic and budgetary requirements.

- Improves the aesthetic of the facility

## Custom Logos and Lettering

- Clean & Crisp
- Scalable Sizing
- Multiple Colors

# Quality, Performance and Value Never Looked So Good

## What our customers have to say

*“Crafco’s work has been extremely professional and their expertise with our Beynon track surface has been of the highest quality. When it comes to our track, Crafco is our very first call.”*

**Mike Hennen**  
Head Cross Country Coach  
St. John Fisher University

*“Crafco was committed to the install, taking time to explain the process, answer any questions and it showed in the final product. From install to this very day, the Beynon track surface has been everything that it is claimed to be.”*

**Chris A Furnare**  
Project Manager,  
Facilities Management Services  
Rochester Institute of Technology
