- Super Shot 250
- EZ Series II 1000
- EZ Series II 1500
- EZ Pour 50
- Pavement Router
- Crack-Vac 2

Materials

- Crack Sealant
- RoadSaver Gray Sealant
- Meltable Packaging
- Detack™

Super Shot 125

POTHOLES & LARGE DISTRESSES

Addressing potholes and large distresses is vital for maintaining safe and smooth pavement surfaces. CrafcO offers a comprehensive line of products specifically designed for effective and durable repairs of significant pavement damage. Our products provide reliable performance, quickly restoring the integrity and safety of roadways.

Equipment

- Patcher II
- Patcher 4
- EZ Patcher
- Hot Mastic Applicator

Materials

- Mastic One®
- TechCrete
- HP Concrete Cold Patch
- HP ER Asphalt Cold Patch

EZ Patcher

CONCRETE SOLUTIONS

Offering a range of high-performance products designed to protect and restore concrete surfaces, CrafcO guarantees superior results with products that meet stringent industry standards. Whether for sealing, patching, or protecting, our concrete solutions deliver reliable, long-lasting performance.

Equipment

- Super Shot Melters
- EZ Series II Melters
- Patchers
- Silicone Pumps

Materials

- PoreShield™
- RoadSaver Silicone
- RoadSaver Gray Sealant
- TechCrete™
- Concrete Cures

RoadSaver Silicone

BRIDGE SOLUTIONS

From durable sealants to innovative expansion joint systems, CrafcO bridge solution products are designed to withstand the harshest environmental conditions and heavy traffic loads. With decades of experience and a commitment to quality, CrafcO is the trusted choice for bridge preservation projects worldwide.

Equipment

- Patcher II
- Patcher 4
- EZ Patcher
- EZ Pour 50

Materials

- Matrix 501
- Ultraseal Waterproofing System

Matrix 501

SEALCOATING

Protect and enhance asphalt surfaces with CrafcO's sealcoating materials and equipment. Our solutions offer superior protection, durability, and aesthetics, preserving the integrity of asphalt pavements for years to come.

Equipment

- CrafcO Sealcoater 550
- CrafcO Sealcoater 700

CrafcO Sealcoater

Materials

- Action Pave Sealcoat AE*
- Action Pave Sealcoat RT*

*Available at select Supply Centers

MARKER APPLICATION

Achieve strong bonds for markers and reflectors with CrafcO's high-performance adhesive solutions. Our products ensure durable adhesion, enhancing visibility and safety on roadways.

Equipment

- Super Shot Melters
- Shot Timer Kit

Materials

- Marker Adhesive
- QwikStix

Marker Adhesive

TOOLS

Equip your team with durable and reliable tools from CrafcO for effective pavement repair projects. Our tools are designed for longevity and performance, ensuring optimal results and efficiency on every job.

Equipment

- Material Handling Tools
- Patching Tools
- Sealing Tips
- Lances & Torches

Hot Air Lance

CrafcO also carries Pavement Joint Adhesive for bonding asphalt paving passes, stopping deterioration and creating a watertight seal. It is effective for waterproofing exposed edges of asphalt.

SAFETY OPTIONS

Enhance crew safety and productivity during pavement maintenance with CrafcO's range of safety options. Our products provide essential safety features, promoting efficient and safe work practices on job sites.

Options

- Autoloader
- Wireless Camera System
- Driver Alert System
- Equipment Lights
- And More

Equipment Lights

ATHLETIC COATINGS

CrafcO's Athletic Coatings are engineered for outstanding quality and durability. Made with 100% acrylic resins, vibrant color-fast pigments and reinforcing mineral fibers, our Action Pave Acrylic Coatings provide exceptional wear resistance ensuring years of trouble-free enjoyment for tennis courts, basketball courts, pickleball courts, hockey/in-line skating and other play areas.

Equipment

- EZ Paint Mixer

Materials

- Action Pave Acrylic Coatings

Accessories

- Tennis and Pickleball posts and nets
- Basketball goals
- Portable net systems
- And many other court items

Action Pave Acrylic Coating

CrafcO offers a comprehensive range of equipment and materials for all pavement preservation needs, ensuring long-lasting, high-performance results. Our innovative solutions cover everything from crack sealing and concrete repairs to sealcoating and safety enhancements.
